Subject: Briefing Bullets -- 04/07/13 am
Date: Sunday, April 07, 2013 9:42:33 AM

- A press conference was conducted yesterday afternoon at the Mayflower City Hall. The 4 principals of unified command gave brief statements, and then answered questions from reporters.
- Over 95% of residential contaminated soil removed as of yesterday evening.
- Approximately 23,887 bbl oil/water mixture collected to date; Approximately 701 total personnel on site
- Approximately 3,100 feet of hard boom and 25,420 feet of absorbent boom deployed to date
- EPA has received an increase for the FPN funding to \$ 350,000, based on current burn rates
- Exxon submitted a reply to the EPA 308 Request for Information, the response asks for an extension.
- EPA continues to post daily air monitoring data files and a summary report on the air monitoring to the ADEQ website.
- With the number of responders in limited space, and night operations, safety is a major priority of unified command.

Wildlife Impacts

Type	Captured	Cleaned	DOA	Died in Facility
